

Livelihood Restoration Plan (LRP) Addendum 2

Rationale

May 07, 2025

This LRP addendum 2 introduces modification to some clauses and items in the LRP of Samarkand Solar Power Project dated May 2023. The addendum 2 is one of the corrective actions taken per the Lender's Action Plan developed as a result of the audit conducted last June 21-22, 2024. LRP addendums to be disclosed as required."

The corresponding modification applies to the following:
